Andy -

I have reviewed the Notice of Intention for a Small Mine permit for the Lakeside Quarry by Lakeside Aggregates LLC in Tooele County. They have requested the following :

- 10 acre of ground disturbance (includes onsite roads)
- Crushing and screening plant
- Blasting will be done by an outside contractor

Attached is the bond calculation. The reclamation surety is determined to be \$67,700 until year 2021. Please send your concurrence via email. If you have any questions please call me at [801-538-5257](tel:801-538-5257)

That will be sufficient bond money. I concur with your requirements.
